Mr. Caleb Thornton
Assistant County Attorney
County of Montgomery
501 North Thompson, Suite 300
Conroe, Texas 77301

OR2015-04048

Dear Mr. Thornton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 560411 (ORR# 15PIA056).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for case number 15A001333. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue pertains to a pending criminal investigation or prosecution. We note the information at issue includes a citation. Because a copy of the citation was provided to the individual who was cited, we find release of the citation will not interfere with the

detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). We therefore conclude the citation may not be withheld under section 552.108(a)(1). Based on your representation and our review, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note the citation includes information is subject to section 552.130 of the Government Code.¹ Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the sheriff's office must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, with the exception of the basic information and the citation, which must be released, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code; however, in releasing the citation, the sheriff's office must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
